## **ATTACHMENT G**

### **Initial Voluntary Conversion Initial Assessment**

The Murphy Housing Authority hereby certifies that it has reviewed its development's operations as public housing and has considered the implications of converting the public housing development to tenant-based assistance. The Authority has concluded that the conversion of the development is inappropriate because the removal of these two developments would not meet the necessary conditions for voluntary conversion as described at § 972.200 (c). This decision was based on the excessive cost of the conversion and the Authority's potential inability to occupy the developments if it received tenant-based assistance. The anticipated cost and workability of vouchers in our small local community is also deemed inappropriate by the Authority.
